

LOWE HARDWARE

No. 5040

Based on our knowledge and experience recreating historical architectural components,

we put pen to paper to create a completely original early American style knob.

*The dome to the head and its deep knurl seem bold yet the gentle sweep
of the ogee return and minimal rose balance the entire assembly.*

Available in any of our yacht quality electroplated or patinated finishes.

• DESIGNED, MANUFACTURED & HAND FINISHED IN MAINE SINCE 1977 •
