

LOWE HARDWARE

No. 153

FULL MORTISE OFFICE LOCK

*The Lowe 153 full mortise office lock is available in 2-1/2", 2-3/4", 3-3/4", 5" or 6" backsets. Typically used as an office lock, access is controlled via the thumbturn which switches the lock between the locked and unlocked position. From the inside free egress is always available.*

*The lock can be configured at the factory to be used with knobs, levers, thumbblatches or any combination thereof. It is supplied with a strikeplate and stamped metal dustbox, and the faceplate has an adjustable bevel. Center dimension between the handle and thumbturn is 2-7/16". The 153 is ANSI Grade 1, and is UL listed with a 3 hour fire rating.*

*Available in any of our yacht quality finishes.*
